FILE

1. Thank you for your letter of November 1, 1965 providing us with instructions for replying to the outstanding Official Action in this case. Please be advised that a reply will be filed to said Action along the lines indicated by you.

2. Accordingly, claims 3-5, as filed, will be cancelled while claim 2 will be revised to read as follows:

"A filter according to claim 1 in which the polyhydric alcohol is selected from the group consisting of glycerin, diethylene glycol, triethylene glycol and polyethylene glycol."

Revised claim 2 includes not only the subject matter of claim 2 as filed but also the subject matter of claims 3-5 as filed.

3. We presume that the filing of a reply based upon these instructions will result in favorable action in this case and we will let you know as soon as a further report is received.

Very truly yours,

LANGNER PARRY CARD & LANGNER
